Though serial costing is enabled, Sometimes Serialized items use the Average Cost

Summary:

Though **Serial Costing** is enabled (Setup / Inventory / Control / Main tab), **Sometimes Serialized** items will still use the Average Cost.

Cause:

By design.

Solution:

Serial Costing is supported only for Always serialized items.

- **Always Serialized** items use the <u>Serial Cost</u>
- **Sometimes Serialized** items use the <u>Avg. Cost</u>
