Error interfacing or vouchering to Sage 100: Task Security Error

Summary:

When attempting to interface or voucher to Sage 100 with the security feature enabled, the message **Task Security Error** is given.

Cause:

This message means the user role does not allow access to the CounterPoint tasks.

Solution:

In MAS90, the user role must be configured to allow access to new CounterPoint functions in **Role Maintenance**.

These are located under Library Master / Role Maintenance / Accounts Payable / Miscellaneous Tasks and General Ledger / Miscellaneous Tasks.

Under General Ledger / Miscellaneous Tasks:

- Export G/L Accounts to CounterPoint
- Export G/L Options to CounterPoint
- Import G/L Journal from CounterPoint

Under Accounts Payable / Miscellaneous Tasks:

- Export A/P Invoices to CounterPoint
- Export A/P Vendors to CounterPoint

- Import A/P Invoices from CounterPoint
- Import A/P Vendors from CounterPoint
