Error: Points cannot be redeemed attempting to use a Loyalty Program Pay Code

Summary:

In Point of Sale, when the Loyalty Program pay code is selected a message appears "Points cannot be redeemed".

Cause:

If the Loyalty Program is setup correctly, this is usually due to a permissions issue

Solution:

Use the Point of Sale Security Codes form (Setup > Point of Sale > Security Codes Total/Tender tab) to specify which users are allowed to redeem loyalty points in Ticket Entry or Touchscreen Ticket Entry.
