

Error: Pin XLate when authorizing debit cards

Article Number: 150 | Rating: Unrated | Last Updated: Tue, Aug 26, 2014 at 3:24 PM

Summary: Pin XLate error is returned when attempting to process a debit card. **Cause:** This indicates an issue with the encryption on the pin pad. **Solution:** Contact the processor or company that encrypted the pin pad. If assistance is needed, contact your Counterpoint business partner, or the NCR Account Manager.
